The Family Day Care package is for educators who run a traditional family day care. That is, the provision of early childhood education and care for children in the educator’s home/residence. This package is also suitable for educators who run both family day care and in home care.

To meet the needs of family day care educators, this package includes the mandatory Public Liability Insurance which FDCA has upgraded to $20 million at no additional cost and also includes fines and penalties cover up to $50,000. A Personal Accident for Children policy in the event of accident to a child which also includes an accidental death benefit of $30,000 for the educator.

For full details of each of the policies included refer to page 6 of this booklet.

The Family Day Care package includes:

- FDCA membership
- Public Liability Insurance (includes fines and penalties cover)
- Personal Accident Insurance for Children (includes accidental death for educators)

In Home Care package

The In Home Care package is specifically designed for educators who provide approved care in the child’s home only. The package includes membership with FDCA, the mandatory Public Liability insurance in addition to Personal Accident for Children.

Out of Home Care package

Out of Home Care (OOHC) refers to the provision of care through your family day care service, on a fee for service basis for children placed by a private or government agency which holds legal guardianship of the child, and where the care is for periods greater than 12 continuous hours.

The OOHC package includes the same policies as the family day care package; however the Public Liability insurance has a specific extension to cover the provision of out of home care.

1. Who we are and who we act for
Family Day Care Australia Limited (FDCA) ABN 93 094 436 021 AFSL 329 616 is the national peak body for family day care. As an insurance broker we act on your behalf.

2. Types of services we provide
FDCA can provide general product advice on, and deal in general insurance products to retail and wholesale clients. Any advice we provide is general in nature and we do not take into account your personal needs or financial objectives. Before you decide to purchase general insurance products from us you need to consider if the advice and relevant product is right for your circumstances as we have not done this. We act as a referer only for Income Protection and Superannuation. In making any referral we do not advise or represent that plans and services are right for you and take no responsibility for the products and services they may provide to you. You need to make your own decision based on the information they provide. Premium funding is available for certain FDCA products and enables you to spread your payment over instalments rather than pay it in a lump sum; however you will have to pay a fee to the premium funder. When we offer you premium funding we act on behalf of the premium funder, not you. We do not provide personal advice or represent that any of the funder’s products and services are right for you or that they are the most appropriate. You need to make your own decision based on the information provided.

3. Your Duty of disclosure
Before you enter into a contract of general insurance with an Insurer, you have a duty under the Insurance Contracts Act 1984, to disclose to the Insurer every matter that you know, or could reasonably be expected to know, is relevant to the Insurer’s decision whether to accept the risk of the insurance and, if so, on what terms. You have the same duty to disclose those matters to the Insurer before you renew, vary or reinstate a contract of general insurance. Your duty however does not require disclosure of any matter that diminishes the risk to be undertaken by the Insurer, that is of common knowledge, that your insurer knows or, in the course of their business ought to know, as which compliance with your duty is waived by the insurer.

Non-Disclosure and Misrepresentation
If you fail to disclose any matter, which you were under a duty to disclose to the Insurer or you made a misrepresentation to the Insurer before this Policy was entered into, the Insurer may be entitled to reduce its liability under the contract in respect of a claim or may cancel the contract. If your non-disclosure is fraudulent, the Insurer may also have the option of voiding the contract from its beginning. Contracts of Insurance are subject to the doctrine of utmost good faith. Failure to adhere to this may prejudice any claim.

4. Product Disclosure Statement
If you ask us to arrange personal accident insurance for carers or children, motor vehicle or home and contents insurance we will provide you with a Product Disclosure Statement (PDS) unless you already have an up to date version. It is prepared by the insurer and is designed to help you make an informed decision about the financial product.

5. Insuring the interest of other parties
If you require the interest of a party other than the named insured to be covered, you MUST request this. Most policy conditions will exclude indemnity to other parties.

6. Change of risk or circumstances
It is important that you advise us of any location changes, business activities or any departure from your normal form of business.

7. Terms of the insurance contract
By taking out this insurance you agree that:

a) You have read and understood FDCA’s Financial Services Guide and Duty of Disclosure, Privacy Policy and the relevant Product Disclosure Statements if Personal Accident for Children or Carers, Motor Vehicle and Home & Contents insurances have been selected.

b) If you select the premium funding option, you have read and understood the Premium Funding Payment and Instalment Plan Terms and Conditions and you agree to be bound by these Terms and Conditions.

c) You authorise FDCA (ABN 93 094 436 021) to give to or obtain from any relevant authority or the Service you are registered with, any information relating to the status of the insurances you have selected including providing a copy of the certificate of insurance.

d) You understand that:
   i. any statement made in the application will be treated by us as a statement made by all the people insured
   ii. the insurance/s and membership are only valid if you are registered with an Australian Government Funded Family Day Care service or In-Home Care service
   e) If you are a FDCA member, you agree to be bound by the constitution and by-laws of FDCA.
   f) The insurance/s and membership are non-transferable.

8. Insurer’s rights following a claim
Under the policy the insurer is entitled on the happening of any accident, injury, loss or damage to undertake in your name and on your behalf the conduct, control and settlement of any proceedings and to take proceedings at their own expense and for their own benefit but in your name to recover property or secure indemnity or contribution in respect of anything insured in this policy.

9. Insurers
Your insurances are only arranged with Insurers that are authorised under the Insurance Act 1973 to conduct insurance business in Australia. Although the insurers are subject to the supervision of the Australian Prudential Regulation Authority (APRA), we are not in a position to guarantee that any insurer will at all times be in a position to pay claims as and when they occur and we disclaim any liability for losses that you may not be able to recover from your Insurer/s.

10. Privacy
We are committed to protecting your privacy. We use the information you provide to advise about and assist with your insurance needs. We provide your information to insurance companies and agents that provide insurance quotes and offer insurance terms to you or the companies that deal with your insurance claim (such as loss assessors and claims administrators) as well as contractors or partners who supply services to us or our members. We also provide details of your insurance status to the Service that you are registered with (Including providing your Certificate of Insurance) as well as Regulatory Authorities if requested. Your information may be given to an overseas insurer (like Lloyd’s of London) if we are seeking insurance terms from an overseas insurer or to reinsurers who are located overseas. We will try to tell you where those companies are located at the time of advising you and if necessary, seek your consent before disclosing your information to them. Public liability insurance for FDCA members is placed with certain underwriters at Lloyd’s of London and London companies.

14 Family Day Care Australia Educator Insurance
We do not trade, rent or sell your information. If you don’t provide us with full information, we can’t properly advise you, seek insurance terms for you or assist with claims and you can breach your duty of disclosure. For more information about how to access the personal information we hold about you, how to have the information corrected and how to complain if you think we have breached the privacy law, ask us for a copy of our Privacy Policy or visit our website. www.fdca.com.au

11. Payment for our services

When we place insurance for you we receive commission from the insurer (including renewals and some variations to the policy). The commission is a percentage of the insurer’s base premium (i.e. excluding stamp duty, fire services levy, GST or any other government charges, taxes, fees or levies). The commission rate varies between 0-30%. Different insurers can agree to pay us different commission rates for the same type of products. The rates also vary for each product type. FDCA may sometimes receive additional remuneration from insurers though profit commissions on insurance products. Because the amount of the commission earned may vary depending on the performance of the portfolio over a period of time, the amount of possible commission attributable to any policy will not be known at the time of placement. The commission is included in the premium amount detailed on your invoice and we receive it when you pay the premium or at a later time as agreed with the insurer.

You may cancel your policy at any time and under certain circumstances, you may be eligible for a refund. If you advise us in writing within 14 days of the inception date of the policy and no care has taken place, we will refund the full premiums of certain products less a cancellation fee of $25.00. Beyond this 14 day term, Membership, Telephone Legal Advice, Personal Accident for Children and Carers and Educator Management Liability Insurances and Kick Start Packages are non-refundable. A proportion of your Public Liability Insurance may be eligible for refund beyond the 14 day term, less fees, commissions and government charges.

We also have standard administration/policy handling fees which are charged in addition to the premium for the insurance to cover the cost of services for preparation and distribution of FDCA documentation and other services we provide to our members. The FDCA fee ranges between $0-$300 per policy and is noted in the documentation we send you. They are non-refundable. If you pay annually and cancel or vary your insurance package mid-term, FDCA will retain $25 (including GST) for our expenses in relation to the cancellation and/or variation. If you are not a member of FDCA we will charge you a non-member fee of $110.00 to arrange your insurance packages.

All commission and fees assist to support the work of FDCA. When you pay us your premium it will be banked into our trust account. We retain the commission from the premium you pay us and remit the balance to the insurer. We may earn interest on the premium while it is in our trust account and retain any interest earned on the premium.

If we arrange premium funding/installment payment options for you we are paid a commission of between 0.5% of the funded premium. From time to time FDCA may provide sponsorship and/or financial support to various Associations and Services of up to 10% of the annual premium.

12. Cooling off period

A cooling off period may apply to an insurance policy issued to you as a retail client. During the period you may return the policy. If a cooling off period applies to your policy the details of your rights are included in the relevant Product Disclosure Statement.

13. Potential Conflicts of Interest

FDCA and its staff may also receive ‘soft dollar’ benefits from insurers and other service providers and can include entertainment or small gifts. There are no other associations or relationships with insurers which may influence us in providing our services.

14. Complaints Policy

FDCA have developed a Complaints and Dispute Resolution Process which is fair, efficient and accessible to all our clients.

If you would like to make a complaint about the services provided by FDCA you should telephone FDCA on free call 1800 658 699, or if you wish you can put your complaint in writing for referral to the complaints officer. The complaints officer will acknowledge your complaint in writing as soon as it is received by FDCA. We will respond to your complaint within 5 business days of receipt by FDCA.

If the complaint is not resolved to your satisfaction you can refer the matter to the Financial Ombudsman Service Limited (FOS) www.fos.org.au which is a national scheme for consumers. Its aim is to resolve disputes between clients, brokers and insurance companies. 1. About this Family Day Care Australia Personal Accident Insurance Product Disclosure Statement (PDS)

General Insurance Code of Practice

We are a signatory to the General Insurance Code of Practice (the Code). The objectives of the Code are to further raise standards of service and promote consumer confidence in the general insurance industry. Further information about the Code and your rights under it is available at www.codeofpractice.com.au and on request.

3. Our agreement with the Policyholder

Where We have agreed to enter into the Policy with the Policyholder We do so on the terms and conditions and exclusions contained in this PDS, the Schedule We issue to the Policyholder confirming entry into the Policy, and any other document that We issue to the Policyholder that We advise will form part of the Policy (e.g. an Endorsement and/or a Supplementary Product Disclosure Statement (SPDS)).

The Schedule contains important information relevant to the insurance, including:

• the Period of Insurance;
• who the Covered Persons entitled to access cover are;
• the premium payable by the Policyholder (See page 9 Premium description section);
• the applicable benefits and limits; and
• variations to this PDS and other Policy terms, conditions and exclusions (if any).

We may also issue other documents (e.g. Endorsements or SPDSs) from time to time which may vary this PDS, the Schedule and other Policy terms, conditions and exclusions.

This PDS, the Policy Wording, the current Schedule and any other documents We may issue to the Policyholder all make up the “Policy”. The Policyholder has with Us. They are all important documents and must be read together carefully and be kept in a safe place for future reference.

4. Summary of Insurance

The following provides a summary of the main covers available under the Policy only; it does not form part of the Policy and cannot be relied on as a full description of the cover provided.

Please refer to the relevant Sections of the Policy and the Schedule for full benefit details and applicable terms, limitations, conditions and exclusions.

The covers are provided only if specified as applicable in the Schedule.

The Policy also defines certain terms used in this summary, either under General Definitions or as definitions specific to certain Sections.

Personal Accident

We pay agreed lump sums if a Covered Person suffers from an Event included in the Table of Events as a result of a Bodily Injury and an amount for that Event in respect of that Covered Person is shown in the Schedule. Please see the Policy Wording and the Schedule for details of coverage in respect of each category of Covered Person.

A number of additional benefits may also be payable under the additional cover provided as set out in the Policy.

5. The Cover in the Policy is subject to certain terms, conditions and exclusions (including limits and excesses) which are described under each section as well as under the following sections:

• General Conditions Applicable to the Policy
• General Exclusions Applicable to the Policy
• General Provisions Applicable to the Policy
• Examples of terms, conditions and exclusions in the Policy include:

• Covered Persons are not covered in relation to covered Event(s) that occur before they become a Covered Person or after they cease to be a Covered Person;
• We only pay up to the agreed limits specified in the Policy; and
• We will only cover Events which occur within twelve (12) months of the Bodily Injury and where the Bodily Injury occurs during the Period of Insurance.

We will not pay any benefits with respect to any loss, damage, liability, Event or Bodily Injury which would result in Us contravening the Health Insurance Act 1973 (Cth), the Private Health Insurance Act 2007 (Cth) or the National Health Act 1953 (Cth).

Refer to page 24 General Provisions Applicable to the Policy for details. Please read the PDS and the full policy wording to decide whether this cover is right for you.

6. Group Insurance Policy

A Covered Person’s access to this Policy is solely by reason of the statutory operation of Section 48 of the Insurance Contracts Act 1984 (Cth). Covered Persons are not contracting insureds (e.g. they cannot cancel or vary the Policy - only the Policyholder can do this) and do not enter into any agreement with Us.

We do not need to provide any notices in relation to this insurance to Covered Persons as they are not a contracting party to the Policy. We only send notices to the Policyholder which is the only entity We have contractual obligations to under the Policy.

Covered Persons are not obliged to accept any of the benefits of this insurance. If a Covered Person makes a claim under the Policy then such person will have the same obligations to Us as if they were the Policyholder and We will have the same rights against the Covered Persons as we would have against the Policyholder.

The insurance cover is subject to the terms, conditions, limitations and exclusions set out in this document.

Neither We nor the Policyholder hold anything on trust for, or for the benefit or on behalf of, Covered Persons under this insurance arrangement. The Policyholder:

a) does not act on behalf of Us in relation to the insurance;

b) is not authorised to provide any financial product advice, recommendations or opinions about the insurance; and

c) does not receive any remuneration or other benefits from Us.

Any person who may be eligible to be a Covered Person should consider obtaining advice as to whether the benefits are appropriate or useful for their personal needs from a person who is licensed to give such advice. No advice is provided by Us that the benefits are appropriate or useful for any Covered Person’s own circumstances or needs. Nothing prevents such persons from entering into other arrangements regarding insurance.

A Covered Person’s access to cover:

a) begins from the time the relevant person meets the criteria specified in the Schedule for a Covered Person and becomes a Covered Person; and

b) ends at the earliest of the following events:

i. when the relevant person no longer meets the criteria specified in the Schedule for a Covered Person; or

ii. when the Policy is cancelled by Us or the Policyholder.

Refer to the General Definitions section for the definition of Period of Insurance and other capitalised terms.

6. Group Insurance Policy

The Policyholder must ensure that a copy of this PDS is made available to each Covered Person.

7. Cooling Off

The Policyholder has twenty-one (21) days after entry into the Policy (including renewals) to decide whether to return it. If the request is made to Us in writing within those twenty-one (21) days, We will cancel the Policy, provided neither...
the Policyholder nor any Covered Person has exercised a right or power under the terms of the Policy in that period (e.g. a claim has been made or benefit paid). We will provide a full refund of Premium, less charges or taxes which you are unable to recover. Even after the cooling off period ends the Policyholder has cancellation rights (See this PDS and page 24 Cancellation clause).

8. Cancellation of the Policy

A Policy may be cancelled in one of two (2) ways:

• When the Policyholder can cancel
  The Policyholder can cancel the Policy at any time by notifying us in writing. The cancellation will take effect on the date that the notice of cancellation is provided to Chubb.

• When Chubb can cancel
  Chubb may cancel a Policy by giving the Policyholder written notice to the address on file and in accordance with the Insurance Contracts Act 1984 (Cth), including where the Insured:
  a) breaches the Duty of Disclosure;
  b) breaches a provision of their Policy (including non-payment of premium); or
  c) makes a fraudulent claim under any policy of insurance.

If Chubb cancels, Chubb will refund the premium for the Policy less an amount to cover the period for which an insured is covered under the Policy. An insured’s Policy continues for the Period of Insurance unless cancelled.

9. Renewal Procedure

Before the Policy expires, we will advise the Policyholder whether we intend to offer renewal on the current terms or on new terms. It is important to check the terms of any renewal before renewing to ensure that the details are correct.

10. Privacy Statement

Chubb Insurance Australia Limited (Chubb) is committed to protecting your privacy. This document provides you with an overview of how we handle your personal information. Our Privacy Policy can be accessed on our website at www.chubb.com.au.

In all instances where personal information may be disclosed overseas, in addition to any local data privacy laws, we have measures in place to ensure that those parties hold and use that information in accordance with the consent you have provided and in accordance with our obligations to you under the Privacy Act 1988 (Cth).

12. Premium

All cover is subject to the payment of Premium and the terms, conditions, exclusions and provisions of the Policy.

When calculating the Premium for the Policy, we take a range of factors into account, including:

- a) age, occupation and previous insurance history of persons to be covered; and
- b) the type and amount of cover provided.

It is important for the Policyholder to know that the Premium varies depending on the information we receive from the Policyholder about the risk to be covered by Us. Based on our experience, we decide what factors increase our risk and how they should impact on the Premium.

The Premium also includes amounts that take into account our obligation to pay any relevant compulsory government charges or taxes (e.g. stamp duty) in relation to the Policy. These amounts will be set out separately in the Schedule as part of the total Premium payable.

When the Policyholder applies for this insurance, the Policyholder will be advised of the total Premium amount, when it needs to be paid and how it can be paid. We may change the Premium from the renewal date if we notify the Policyholder of the change in writing prior to that date.

If the Policyholder fails to pay the Premium on time, and the Premium remains unpaid for at least ninety (90) days, we may cancel the Policy.

13. Financial Claims Scheme

We are an insurance company authorised under the Insurance Act 1973 (Cth) (Insurance Act) to carry on general insurance business in Australia by the Australian Prudential Regulation Authority (APRA) and are subject to the prudential requirements of the Insurance Act. The Insurance Act is designed to ensure that, under all reasonable circumstances, financial promises made by Us are met within a stable, efficient and competitive financial system.

Because of this, We are exempted from the requirement to meet the compensation arrangements Australian financial services licensees must have in place to compensate retail clients for loss or damage suffered because of breaches by the licensee or its representatives of Chapter 7 of the Corporations Act 2001 (Cth). We have compensation arrangements in place that are in accordance with the Insurance Act.

In the unlikely event that We were to become insolvent and were unable to meet our obligations under the Policy, a person entitled to claim may be entitled to payment under the Financial Claims Scheme. Access to the Scheme is subject to eligibility criteria. Please refer to https://www.fcs.gov.au for more information.

14. Updating this PDS

We may need to update this PDS from time to time if certain changes occur where required and permitted by law. We will issue the Policyholder with a new PDS or a Supplementary PDS or other compliant document to update the relevant information except in limited cases.

Where the information is not something that would be materially adverse from the point of view of a reasonable person considering whether to buy this insurance, We may issue the Policyholder with notice of this information in other forms or keep an internal record of such changes. A paper copy of any updated information is available to the Policyholder at no cost by contacting Us.

15. How to Contact Us

To contact Us, ask any questions or request any further information regarding the Policy, refer to Our contact details under the heading “About the Insurer”.

16. Duty of Disclosure

Your Duty of Disclosure

Before you enter into an insurance contract, you have a duty to tell Us anything that you know, or could reasonably be expected to know, may affect our decision to insure you and on what terms.

You have this duty until we agree to insure you.

You have the same duty before you renew, extend, vary or reinstate an insurance contract.

What You do not need to tell Us

You do not need to tell Us anything that:

- reduces the risk we insure you for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive your duty to tell us about.

If you do not tell us something

If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

If you are a natural person, a different duty of disclosure to the one set out above applies to you. Please contact Us so that you can be informed of the duty of disclosure that applies to you.

right of contribution or indemnity against any person or organisation who may be liable to the Policyholder because of bodily injury or damage with respect to which insurance is afforded under the Policy. In that regard, the Policyholder and Covered Persons (where relevant) shall attend hearings and trials and assist in securing and giving evidence and obtaining the attendance of witnesses. The Policyholder or Covered Persons shall not, except at the Policyholder’s own cost, voluntarily make any payment, assume any obligation or incur any expense other than for first aid to others at the time of accident.

Breaches of Conditions
If the Policyholder or a Covered Person is in breach of any of the conditions of the Policy (including a claims condition), We may decline to pay a claim, to the extent permitted by law.

Cancellation
The Policyholder may cancel the Policy at any time by notifying Us in writing. The cancellation will take effect at 4.01 pm (in the state or territory where the policy was effected) on the day We receive the Policyholder’s written notice of cancellation or such time as otherwise agreed.

We may cancel the Policy or any Section thereof, for any of the reasons set out in, and in accordance with the Insurance Contracts Act 1984. Such cancellation is to take effect at the earlier of the following times:
- the time when another policy of insurance between the Policyholder and Chubb or some other insurer, being a policy that is intended by the Policyholder to replace this Policy, is entered into;
- 4.00pm on the thirtieth business day after the day on which notice was given to the Policyholder.

If the Policy is canceled by either the Policyholder or Us, We will refund the Premium for the Policy less any statutory charges and taxes that cannot be refunded and less a pro rata proportion of the Premium to cover the period for which insurance applied. However, We reserve the right not to refund any Premium, or only a proportion of the Premium, if We have paid a benefit under the Policy.

Change of Business Activities
The Policyholder must inform Us as soon as is reasonably practicable of any alteration in the Policyholder’s business activities which increases the risk of a claim being made under this Policy.

Claim Offset
Except for Part A – Lump Sum Benefits, there is no cover under the Policy for any loss, damage, liability, Event of Bodily Injury which is covered under any other insurance policy, health or medical scheme or Act of Parliament or is payable by any other source. We will however pay the difference between what is payable under the other insurance policy, health or medical scheme or Act of Parliament or such other source and what the Policyholder or the Covered Person would be otherwise entitled to recover under the Policy, where permissible by law.

Currency
All amounts shown on the Policy are in the currency stated in the Schedule. If expenses are incurred in a currency different to the currency shown in the Schedule, then the rate of currency exchange used to calculate the amount payable will be the rate at the time of incurring the expense or suffering a loss.

Due Diligence
The Policyholder and all Covered Person(s) will exercise due diligence in doing all things to avoid or reduce any loss under the Policy.

Headings
Headings have been included for ease of reference and it is understood and agreed that the terms, conditions and exclusions of the Policy are not to be construed or interpreted by reference to such headings.

Notice of Claim
The Claimant must give Us written notice of any occurrence which is likely to give rise to a claim within thirty (30) days or as soon as is reasonably practicable after the date of the occurrence. A Claimant’s failure to furnish Us with notice within the time provided in the Policy will not invalidate any claim but We may reduce Our liability under the Policy to the extent to which We have suffered any prejudice due to such failure. The Claimant must at their expense give Us such certificates, information and other documentation as We may reasonably require. We may at Our own expense have any Claimant, who is the subject of a claim under the Policy, medically examined from time to time.

Other Insurance
In the event of a claim, the Policyholder or a Covered Person must advise Us as to any other insurance they are entitled to claim under or have access to that covers the same risk.

If any loss, damage, costs or expenses sustained is insured under any other policy entered into by the Policyholder and/or Covered Person, whether prior or current, then to the extent permitted by the Insurance Contracts Act 1984 (Cth), this Policy, subject to its limitations, conditions, provisions and other terms, will only cover such loss, damage, costs or expenses to the extent that the amount involved is in excess of the amount of such other insurance.

If any loss, damage, costs or expenses sustained is insured under any other policy effected on behalf of the Policyholder and/or Covered Person or under which the Policyholder and/or Covered Person is a third party beneficiary, whether prior or current, then to the extent permitted by the insurance contracts Act 1984 (Cth) this Policy of, subject to its limitations, conditions, provisions and other terms, will only cover such loss, damage, costs or expenses to the extent that the amount involved is in excess of the amount of such other insurance.

Nothing in this clause applies to such other insurance that is written specifically as excess insurance over the Aggregate Limit of Liability set out in Section 3 of the Schedule.

Proper Law
Any dispute arising under the Policy or concerning its formation shall be governed by the laws of the appropriate state or territory of the Commonwealth of Australia. Each party agrees to submit to the jurisdiction of any court of competent jurisdiction within the said state or territory and to comply with all requirements necessary to give such court jurisdiction. All matters arising hereunder shall be determined in accordance with the law and the practice of such court.

Sanctions Clause
Chubb will not be deemed to provide cover and will not be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose Chubb or its parent company or ultimate holding company of Chubb (by any sanction, prohibition or restriction implemented pursuant to resolutions of the United Nations or any trade or economic sanctions, laws or regulations of Australia, the European Union, United Kingdom or United States of America.

Singular/Plural
If it is consistent with the context of any clause in this Policy, the singular includes the plural and vice versa.

Subrogation
If We pay an amount under the Policy, We shall be subrogated to all of the Claimant’s rights to recovery against any person or entity other than the Policyholder, Covered Person or persons covered by this Policy and a Claimant must execute and deliver any instruments and papers and do whatever else is necessary to enable Us to secure such rights. A Claimant must not take action which will prejudice Our rights to subrogation.

We will not be liable for a loss where the Claimant is a party to an agreement that excludes or limits Our rights to recover damages from a third party in respect of that loss, whenever that agreement was made, i.e. before or after the loss occurred. The effect of this provision is that the Claimant may prejudice the Claimant’s rights with regard to a claim if the Claimant makes or has made any agreement with a third party that will prevent Us from recovering the loss from that party or another party.
